2024 Boys Youth Basketball 5-6 Grade

5/6 Grade Boys: \$25

Registration Deadline: September 29

The Galena ARC boys youth basketball program will host a 5/6th grade basketball league this year. All practices and games will be held at the ARC.

Practices: 5/6th grade Boys Basketball practice will start the week of October 22. The first two practices are October 22 and October 24 from 5-7pm, with everyone practicing together. ARC coaches will create teams after the initial practices. We will work to create teams with equitable talent and teams with small numbers so games are competitive and everyone is getting maximum playing time. Teams will be given one-two time slots a week throughout the season with the last practices being the week of December 12th. Exact practice dates and times to be determined.

Games: The league will consist of 8 games in 4 weeks and a single elimination tournament.
November 2, 9, 16 December 7, 14 (Tourney)

Uniform: \$20

Both leagues will use a reversible blue and white jersey with shorts of your choice, If your player already has a reversible jersey then they can use that. If they do not have one or out grew the old one, we can order them a new one for \$20. Please check the size box below, only if you need a jersey for this basketball season.
